Software Engineer

Dedicated and skilled Full Stack Developer with a strong command of JavaScript, ReactJs, NextJs, React Native, RN Expo, Angular, NodeJs(ExpressJs, and NestJs) and various databases. I am able to develop interactive and engaging experiences for web and mobile users. I have a strong eye for design and a deep understanding of user experience, which I use to bring ideas to life in a way that is both beautiful and functional. My experience with both responsive design and cross-browser compatibility ensures that my websites are accessible on any device.

PROFESSIONAL EXPERIENCE

AIR GROUP

Senior Mobile Developer / Team Leader   05/2024 -currently

• Developed a cross-platform mobile app using React Native with Expo, deploying to both iOS and Android.

• Built responsive and interactive components using Expo's libraries to enhance the user experience.

• Integrated Firebase for real-time data synchronization, authentication, and push notifications.

• Leveraged Redux for complex state management and optimized app components for better performance.

• Collaborated in agile sprints, handling the full development cycle from concept to deployment.

TUNEL Ads.

Software Developer / Team Leader   09/2023-07/2024

• Developed and deployed a cross-platform mobile app using React Native for both iOS and Android.
• Integrated Firebase for real-time data syncing and push notifications.

- Built and maintained responsive web applications using ReactJS, enhancing the user experience with smooth and dynamic interactions.
- Integrated APIs to display real-time data and manage complex state with Redux.
- Optimized components for faster load times and better performance.
- Participated in agile sprints, contributing to the entire development cycle from concept to deployment.

WARDRAPP

Software Developer   09/2022-01/2024

- Developed and deployed a cross-platform mobile app using React Native for both iOS and Android.
- Integrated Firebase for real-time data syncing and push notifications.
- Utilized third-party APIs and libraries to enhance app functionality.
- Tested cross-browser compatibility of web applications in multiple browsers and operating
- Designed and implemented RESTful APIs using NestJS to support the mobile application.
- Applied authentication strategies (JWT, OAuth) for secure user access.
- Worked with MongoDB for efficient data storage, retrieval, and management.

BAZARI.AZ

Front-end and Mobile Developer   06/2023-01/2024

- E-commerce web and mobile application frontend libraries ReactJs and React Native
- Familiarity with responsive design and mobile-first development
- Solid understanding of cross-browser compatibility and web accessibility

EPAM UPSKILL

Mentor Front-end Developer   02/2023-01/2024

- Mentor and guide a diverse group of 25 students in mastering front-end development, emphasizing essential skills in React.js, TypeScript, JavaScript, HTML5, and CSS, fostering their growth in these core areas.
- Provide hands-on instruction and practical experience in version control using Git, ensuring students understand best practices for collaboration and code management in real-world development scenarios.
- Facilitate learning of advanced topics such as state management with Redux Toolkit and Redux Toolkit Query, efficient form handling with react-hook-form and Yup validation, and exposure to

various UI libraries like Ant Design, MUI, and Chakra UI, enabling students to broaden their skillset and stay current with industry trends.

JUGAAD DIGITAL SOLUTIONS | MARKETING

Front-end Developer 01/2022-06/2023

• Developed and maintained user-facing webpages using Javascript, ReactJs, HTML, CSS, SCSS, Redux, RESTful API, ChakraUI, MUI, Git(GitHub, GitLab), Jest Testin library etc. • Tested cross-browser compatibility of web applications in multiple browsers and operating

MINISTRY OF SCIENCE AND EDUCATION REPUBLIC OF AZERBAIJAN

Team Lead Manager 09/2019-10/2022

• Planned, organized and coordinated activities of subordinates to accomplish organizational goals

EDUCATION AND TRAINING

• 2023 **FULLSTACK DEVELOPMENT**
ISRAEL AZERBAIJAN TRAINING CENTER

• 2022 **COMPUTER SOFTWARE ENGİNEERING**
EPAM UPSKILL

• 2017 **CONSTRUCTION ENGINEERING TECHNOLOGY/TECHNICIAN**
AZERBAIJAN UNIVERSITY OF ARCHITECTURE AND CONSTRUCTION

SKILLS

JavaScript | TypeScript | ReactJS | Next.js | React Native | RN Expo | ExpressJS | NestJS | Angular | Vue.js | MongoDB | PostgreSQL | SQLite | Redis | Data Visualization | Jest | Vitest | Jasmine | Sentry |Tailwind | Styled Components | HTML | Styling (CSS, SASS, LESS, etc.)

CERTIFICATIONS

- TypeScript Essential, LinkedIn, 2023

- Web developer(HTML, CSS, JavaScript and ReactJS), Algorithmics Global,2023

- ESLint: Integrating, LinkedIn, 2023

- Webpack, LinkedIn, 2023

- Node.js Essential Training: Web Servers, Tests, and Deployment, LinkedIn, 2022

- JavaScript: Web Workers, 2023 JavaScript: Patterns, LinkedIn, 2022

- Serverless Architecture, LinkedIn, 07/2022, 07/2023

- End-to-End JavaScript Testing with Cypress.io, 2022
